

Parent Consultation Board

Dear Parents/Guardians, Salaamun Alaikum,

I am writing to inform you of an important new body that has been formed within the Madressa to assist the future development of the Madressa – the Parent Consultation Board (PCB).

Background

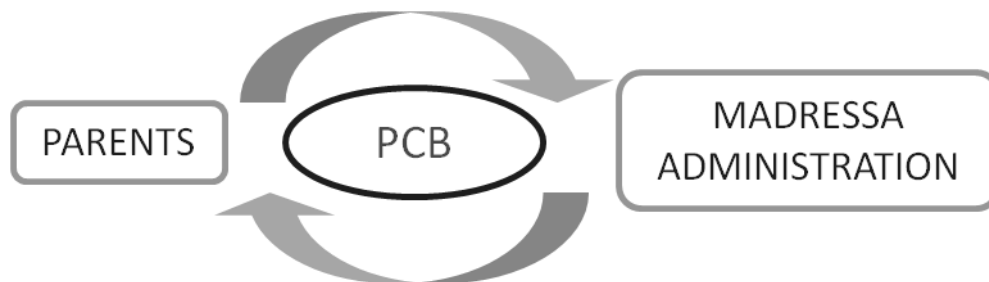

In June 2014, the Madressa invited all parents fulfilling the relevant eligibility criteria to apply for a position on the PCB. Following interviews with the members of the administration team, eight individuals were invited to join the PCB based on their experience and motivations.

The first meeting was convened on Sunday 9 November and a follow up meeting was held on Sunday 16 November. In these meetings the PCB team discussed a terms of reference, elected a chair and also committed to creating a framework for working. The team will now be working towards engaging with parents and meeting with them in order for parents to be able to approach them and familiarise themselves with the PCB team members.

Going Forward

The PCB team's aims are to:

- a) Act as a liaising body between Parents and Madressa Administration
- b) Plan and coordinate activities that will foster effective parental involvement in the Madressa

The PCB members are:

- 1) Mumtaz Hemraj-Panjwani (Chair)
- 2) Abbasali Rashid (Vice Chair)
- 3) Asifa Pradhan (Secretariat)
- 4) Sharmin Pirbhai
- 5) Kiran Ahmad
- 6) Ali Haji
- 7) Faiyaz Nurmohamed
- 8) Mohamed Tejani

The PCB team can be reached by emailing: pcb@madressa.net and inshaAllah in the 2015 academic year the team will take all available opportunities to introduce themselves to parents of the Madressa.

I pray for our joint success in this all important endeavour and that through this new body we will be able to collectively work towards realising the Madressa's vision of Islamic education that will nurture piety in our children to enable them to become role models of Islam through the teachings of Quran and Ahlul Bayt (as).

Salaams & Duas,
