

## **The Departure of the Bani Israeel.**

When the situation reached such a limit that even various types of punishment did not effect the Egyptians, then Allaah Ta'ala commanded Hazrat Moosa that:

The time has come for you to take the Children of Israel and set out towards the land of your ancestors.

That very night Hazrat Moosa and Hazrat Haroon speedily took the Bani Israeel to the Red Sea. They left in such a haste, for fear that the Copts will become aware of their escape. In this great haste, the women did not have a chance to return the jewellery and the valuable clothes they had borrowed from the Copts during a religious festival.
