

The Great Miracle

The Holy Qur'aan clearly states that the drowning of Firown and the salvation of the Bani Israeel, was indeed a great miracle in the favour of Hazrat Moosa. Within moments all material obstacles were destroyed, freeing the oppressed nations from the chains of the tyrants.

“And Allaah Ta’ala has power over everything.”

“And we delivered Moosa and all those who were with him.” (Shu’araah-65)

“Then we drowned the others (the Egyptians).” (Shu’araah-66)

“Indeed therein is a sign, but most of them do not believe.” (Shu’araah-67)

“And indeed your Lord! He is the Mighty, the Most Merciful!” (Shu’araah-68)
